I was walking out of Treffs around 1:30 am Wednesday, February 13. I was chatting with friends as I was unlocking my bike when a Waco police officer stopped in the middle of Austin Ave. He approached me at my bike, asked for my I.D., I said "ok." He says "Fuck me, right?" at first I didn't know what to say so I laughed and then I thought about it ... and I replied "what?" and he slapped a cuff on my wrist while saying I was intoxicated and "fuck me right?" so I

said "Actually yes then; Waco PD murdered my uncle in 1994, so yeah, Fuck you!" He was asking for me to say it. He then cuffed both hands behind me and my roommate asks what I'm being arrested for because I haven't done anything. The officer shoved him to the ground and then pushed me onto the ground. then 3 or 4 officers tackled and tased my roommate while my arresting officer sat on me and shoved my head into the ground so hard my wig was coming off. I wasn't really able to see how badly the other cops were acting but my roommate had many bruises on his face. My arresting officer assumed I was drunk and assumed I yelled at him. He, in my eyes, used excessive force.

ON 4/29/13 I was pulled over for having an expired tags (registration)  
on my car. Officer Kent came on the driver side and explained to me  
why I was being stopped. Officer Kent's partner proceeded him on  
the passenger side of the car with his flash light looking in my  
car. Some small talk took place as we were talking Officer Kent asked  
me what I had in my mouth. However before I could explain or show  
him what & why I was talking the way I was he reached in  
through the drivers side window and proceeded to grab and squeeze  
my mouth. I had surgery on my mouth (all teeth removed) and due  
to that my jaw was still swollen and sore. As he repeated to  
me "open your mouth," "open your mouth", I was telling him

that I couldn't. After he finally realized what I was saying he released my jaw and then and only then did he ask why I couldn't open or raise my tongue up. When I explained what I had done he explained that most drug dealer and drug users will try to hide drugs in their cheeks, mouth and under their tongues. My question to myself was why didn't Officer Kent allow me to explain myself before aggressively reaching in and squeezing my face. I understand about dealers and users, however I could've been a stroke victim, accident victim even a victim of an attack of some kind but Officer Kent never gave me the opportunity to explain before his jaw squeezing ordeal. With that being said no apology was given by either officer. Next time I hope the suspect will be given the opportunity to explain or I would hope that the partner will have more evidence in sight before assuming that someone has something in his or her mouth.

I am requesting that this be filed as a formal complaint against officer

Price she didn't put her badge number on the citation. At this point I feel she did profile me and my vehicle. She pulled up behind me and flashed her lights she then stated I was speeding. I told her that was impossible and she proceeded to write the ticket I was very upset she also stated if I needed to speak to her supervisor I stated why would I want to do that. She also radioed over her radio, no need to send back-up that the vehicle was secure. The reason I feel like she pulled me over was the vehicle look and tinted windows. She then stated she would take me to jail, if I refused to sign the citation, I

was tempted to do so. But I was with  
my teenage daughter. So she was rude  
and I feel she thought we were suspects.  
I was not speeding and she had nothing  
Valid to say but speeding which I am  
disputing I am requesting that this  
harrassment to me and others that  
Obey the law be stopped. If I am stopped  
I will file a complaint again.

feel as I am being profiled and  
targeted I have been pulled over  
and ticketed for speeding which in  
all accounts have been fabricated  
by the officer who is issuing the  
citation. This is an effort to prove  
that I am being profiled and  
targeted by W.P.D. because of the  
type make and style of vehicle  
I drive I am sick of being pulled  
over and being accused of speeding  
when I am aware of my surroundings  
and my speedometer, I was not  
speeding. This is the 2nd attempt  
to proclaim I am being targeted  
and I plan to send in a  
notice and in hopes it will be  
disturbing to see how ~~many~~ many  
times I am being pulled over and  
not speeding but only because  
of profiling.

Thank You

I would like a response to  
this letter as reference in  
my attempts to stop this  
harrassment.

To Whom It May Concern:

Re: Complaint on Sergeant and Officers Involved – Case# 13-23862

On November 22, 2013 I left my home after talking on the phone with my girlfriend to go pick her up from her mother's house around 2:00am in the morning when I was on my way to my girlfriends mothers house I looked in my mirrors and seen I was being followed as I was coming down North 25th street I then made a left turn on to Cole off of North 25th street where here mother stayed as I was watching my mirrors I was pulling up to the house where my girlfriends mother stayed. As I pulled up to park I seen police lights behind me I panic not knowing why I had gotten pulled over all I knew was that someone was following me.

So I rolled my car window down and the officer demanded me to turn my car off I did as the officer asked of me to do, She started to walk up and approach my car window asking me if the vehicle I was driving was mine I replied "YES" Why? She then tells me that my car was involved in a car chase a couple days ago, I told her I was not who they where looking for and that I'm far from a trouble maker I have two jobs all I do is work then she replies well this car was in a chase a couple of days ago, I started to get upset about the situation so I asked the lady officer why did you pull me over that's what we need to be talking about then she asked me for my license and car insurance I then handed her my license and told her the name of my car insurance the lady officer then went back to her car checking my information as another cop stood at my window asking random questions non-related as to what I got pulled over for with his flash light shinning in my window I asked if I could get out of my car because of the rain was getting the inside of my car wet he told me no. I knew right away I was being stereo typed by what color make and model of my car I had.

She then return to my car with another officer who happens to be a Sergeant I notice it was the same office that pulled me over about a year ago that was stereo typing me because of what I was wearing and the gold earrings and grills I had on he asked if I had any weapons in my car I told him yes I have a gun its registered in my name he then open my door and pulled me out the car and hand cuffed me and told me do you if you would of pulled that out I would of shot you. He asked where it was I told him where I had it after he found it he then began to

Initials

search my whole car my car it had got towed that night because my car insurance had just cancelled out the night before I got pulled over I then called for a ride to pick me and my girlfriend up my mother showed up and brother the Sergeant then released my gun back to me and let me go in October 2012.

I asked if I could get out because it was raining inside my car, she said, "No, the reason I pulled you over is because you failed to use your left turn signal." As she was talking to me I seen more officers behind me, I really didn't know what was going on, I knew I was being picked on, because of what the lady officer said about my car being in a chase. She then said, "You are going to receive a citation" and I said, "For failure to put a left signal there are more serious things going on that you should be focused on, like people robbing, stealing, drinking and driving and killing." I felt they decided to pick on me because I wasn't involved in any negative activity they were trying to find. She ask for more information I told her I did not want to sign the ticket because I felt picked on and stereo typed. She then said if I don't sign that I would go to jail and I was telling her I don't feel that is right that's just my opinion I'm not going to sign the ticket I have a right to refuse as I was talking to her they came closer to my car door and then one of the officers open my door and Sergeant Lundquist tazed me. I didn't know what happened, I just felt something hit me. I was so scared and feared for my life, not knowing what the officers and sergeant were going to do next. I never resisted arrest as they said I did and I didn't know I was being tazed at first. When it hit me off guard the first time I asked "what are you doing and all I can remember is getting tazed two more times by Sergeant Lundquist as I was sitting in my car helpless being tazed the sergeant then through me out of my car on to the ground in the rain demanding me "Where is it!!! "Where is it!!!! I know you got a gun in there if you lie its going to get worse!!! I told him it was in my backpack in the back and it wasn't loaded the gun and clip were separated.

I had attended my CHL classes two weeks before I was pulled over. As I was lying in the street with tazers in my arm I felt helpless as a human, because I didn't show any type of threat to any of the officers nor the sergeant, but was still tazed sitting in my car, because I didn't agree to signing the ticket. After he recovered my gun they picked me up off the ground the sergeant was handling me as if I was a toy. I knew there was nothing that I could have done at the time I felt as if I wasn't a human anymore. I have pictures of scrapes and bruises on both of my knees, arms, shoulder, and hip. They never read me my Miranda Rights until after I was tazed and handcuffed sitting in the back of the cop car the sergeant then rolled my window down minutes after being placed in the back of the cop car and started to read me my Miranda Rights.

My car was parked at my girlfriend mother's house and the officers still had it towed. If he did not want it on the street my brother, who was at the scene, could have driven my car home. He also, took my gun even though I told him I had gone to the CHL Class and did not pose a threat to anyone. Instead, Sergeant Lundquist took my gun and had my car towed.

I was not in any violation of any penal code or any threat to be handle like this. I Have proof showing on September 1, 2007, a person who can legally possess a firearm may possess or carry a handgun in motor vehicle (Including a

recreational vehicle with living quarters) and watercraft that is owned by or under the lawful control of a person. However the firearm must be concealed, the person may not be engaged in criminal activity, and also may not be a member of "Criminal Street Gang." ## Narrative - Please Describe the Incident Involving Your Complaint

I was in Walmart picking up (stealing) when I was about to walk out then several Walmart employees stopped me at the door they started call WPP. I took off running I ran towards the creek which is located by Academy Sports Store I looked back and it was 6 police chasing me to stop. I ran a little bit further in the creek then I stopped and layed down with my hands out. They caught up with me they started get up your worthless piece of shit. I yelled I can't breathe during the time I was running. I called Brianna and told her what I was running. I never hung up so she heard everything. They continued to scream saying I didn't get up they were going to shoot me with the tazers. I kept saying I can't breathe that me 6 times I had a bowel movement and screamed I still can't breathe they then started dragging me and they stood me up. then I told them I can't breathe they called the ambulance which I told them too I can't breathe but they just got the tazers out and said I'm fine. They took me to highway 6 where they gave me fentanyl but still no medical attention. Please look into this because I feel I was mistreated and today 2-28-14 am still hurting and spewing up blood.

My name is Alondria White,

I am making this my third official complaint against the City Of Waco Poilce Department. I feel like I am being targeted because of the vehicles I drive I have been pulled over 5 times in like 4 months. Three of these pull overs have resulted in traffic tickets being issued simply because of the false allegations of speeding and pulling out of a parking lot and two feet from there being pulled over by a marked car that clearly he thought I was doing something other than driving safely and minding my own business. As long as I feel targeted I will keep filing my complaints.

Thank You,

Alondria White

Narrative - Please Describe the Incident Involving Your Complaint

Detective/Officer J. Clark pulled me over on Wednesday night at 6:30 for alleged speeding on the 19th block of Parklake in the McDonalds parking lot. He approached the car and asked me for license and insurance, I then gave him my Drivers license and proof of insurance. When he came back to the car he wrote a ticket for speeding, he replied told me I was going 47 in a 30, I then ~~replied~~ by saying "I was not going 47 officer, I have a digital speedometer and I can see my exact speed. I was going 35 when your lights came on." Officer J. Clark then replied by a quick smirk, opening my door, grabbed my left arm very aggressively and said "well now about this, you have a warrant for your arrest." I then asked him to take his hand off of my arm that it wasn't necessary to handle me like that and I would get out on my own. He said no and called for backup. I repeatedly asked him to stop and he continued to man handle me, threw me in the tehee and left a bruise on my arm.

I Darrell Patrick  
On April 28th I pulled up  
at town oaks Apt. to find  
my daughter at her Boy friends  
Apt Charles Ramirez My daughter  
Kristen Patrick was in his apt.

She was screaming and Rolling around  
On the floor in the bedroom - the  
Police wouldnt let me back there.  
I told them I was the only one  
that could calm her. She was  
labeled with :

At this

time she has a severe fractured  
tibia in her leg below her knee  
She was in a brace for it. From  
what I heard she had drank  
some Vodka when she flipped  
out and had been

Some 40 something yr old man <sup>past</sup> <sub>yr</sub>  
Whitlock is his last name.

The EMT and officers  
finally carried her out in  
a blanket. I saw them

Completely secure her to the stretcher. She was screaming Dont Rape me Please dont Rape me. At that point officer Hart used strong force ~~and~~<sup>PP</sup> to her throat and started to choke her. I was shocked and got my phone out and video it. the cop screamed to Kristen's mother to get away. Kristen was Strapped In and hand cuffed when he choked her. This is on the video, they then Put her in the Ambulance and they told us to follow them. After waiting for the truck for over 20 min. to take her to hosp. I got out and went to ambulance and looked in to see the other Officer with both hands pushing down on her tea

calling her a fuck\* Con\*  
and a fuck\*ing Bitch\*.  
She was completely topless.  
and the video shows she was  
wrapped up in a blue blanket,  
When we got to hospital  
the cops kept going in her  
room making her more upset.  
as in screaming and cussing.  
the cops asked me to come  
to her since she was screaming  
for me the whole time. She  
calmed when I walked in and  
the cops continued to come in  
the room until she was  
flipped out again. I asked  
them to stay out but they  
kept coming in making matters  
worse until the Dr. and nurses  
saw her being irate. the  
cops were going out there  
way to be nice to me and  
not the time checked

on Kristens mom. they also  
got only my info. phone and  
home address even though her  
mother was there a hour before  
I was. What I saw wasnt  
Rite and what I hear they  
said wasnt either there  
was no Reason for COP HART  
Choking her when she was  
strapped IN Completley IN  
and no Reason for a cop to  
Push down on her Injured  
Leg in the ambulance and  
Call her the name he did.  
the cops stayed at the Hosp.

most the time we were there.  
they handled the situation wrong.  
they were told how she is -

I also know the hospital never  
checked her leg and she is  
a lot worse than before.

NOBODY should be treated  
like this. Darrell Salinas

Dear Sargent, Jaudernik

This is Alondria White wanting  
this to be filed as another  
official complaint on the  
Waco Police Department.  
I am sending this complaint  
in reference to being stopped  
by Officer Etchison Badge # 185  
the officer said I ran a  
stop sign, this was not true  
and he wasn't on my street  
behind or in front. I would  
like you to investigate this  
allegation why he said I  
ran a stop sign, I was issued  
a citation # AA012656 issued  
on 5-2-2014, and know I did  
not run a stop sign. I'm so  
tired of being pulled over due  
to the type car I drive. This  
harrasment has to stop.

Thank You

We was accused of stealing. But we won at the hammer slammer the tender name was Sarah. The other man that accused us (the Goldfish tender) took our inflatable blow up hammers that we won from ~~with~~ Sarah. So then me (Danielle) and my sister Simone, and cousin Brandi went and got Sarah to talk to the goldfishman. Sarah and us then walked back to the man's booth she then explained to him that we won the hammers at her booth. She didn't attempt to argue with him because she left her booth unattended. So then Brandi takes the hammer and runs the officer stops her and us as well the manager walks over gets in my personal space then I began to yell and say get your ass out of my face a officer then grabs my arms. I asked can you let me go sir he replied no. He asked me to calm down. I said I am I just wanna be chill byself for a little so I could calm down he said no he then snatched my arm to put me in handcues. I was resisting a little cause I didn't

Understand why the officer was so aggressive  
So I was rotating my arms around so he couldn't  
put me in handcuffs. So another officer came over  
and snatched my other arm. They got me in hand  
cuffs. So he asked me to sit down I asked could  
I sit on the concrete instead of the grass

He said no I want you to sit in the  
grass right here. So then I asked for a female  
officer. He then tried to trip me I jumped; And  
landed on my feet he then tried again I jumped  
again landed on my feet. Then some officer I don't  
know where came from He came over and slammed  
me on my left side. I <sup>saw</sup> got up he asked my name  
I asked for another officer. He asked again what's  
my name I told him. Danielle McNeilton they got  
the rest of my information we moved on from  
that he ran my name. I was squeaky clean so  
he let me go with a citation my arm is bruised  
swollen my wrist was swollen from them slamming  
on my arm and the metal cuffs smashing in my  
skin. We have video footage of Sarah coming  
over from her booth to tell the goldfish man  
we won those at her booth.

To whom it may concern:

On the night of 01/29 my friend and I were going to visit my grandmother and other family members which reside within the East Waco area. As I was traveling down Colcord Avenue a Waco PD officer began trailing us and when I signaled to turn down North 6<sup>th</sup> street the officer followed me down 6<sup>th</sup> and Brooks and as I continued on my path he trailed us for several more blocks. When I made it to Herring Ave he sped up to trail us again and when I stopped at the stop sign on Dallas Street the officer continued to pursue us when I turned right. The officer turned his lights on in which I pulled over as I was obligated to do. When the officer approached the car I had the necessary legal documents in my possession. He glanced at my insurance and driver's license and then asked my friend his name in which he correctly identified himself. The officer asked to search my vehicle and I responded with "no" due to him not having probable cause. I asked the officer why he stopped me. He communicated that I did not stop behind the white line at the stop sign. After we conversed, the officer told me to exit the car in which I complied. Once I exited the car, the officer directed me to the back of my car where another officer was located. The officer that conducted the traffic stop searched my vehicle after I told him no he could search my car without probable cause. As I was conversing with the other officer, the leading officer cut my vehicle off and unlocked my glove box without a search warrant and probable cause. When the officer did not find anything illegal in my vehicle and he wrote me a ticket for the alleged traffic violation.

Thanks,

Jerick Vaughn

On the night of 01/29 I was traveling with my friend, Jerrick to visit his grandmother and other family members which reside within the East Waco area. As we were traveling to our destination we were pulled over by a Waco PD officer. The officer asked to search the car and in return my friend told him no. However; Jerrick was asked to exit the car while the officer pursued to search the car. The officer turned off the car and used his key to unlock and search the glove box. The officer did not find any illegal substances or objects therefore he was released with a written ticket.

Mr. Bradley

To Whom it may concern;

On Thursday, February 12 at approximately 7:30 am, I was stopped by Waco police officers Kimbell and Green at the corner of 18<sup>th</sup> and Washington for allegedly running the red light at that intersection. 'I was on my way to work in my personal vehicle. I was cooperative with the officers while they issued me a ticket and proceeded to go to work.

Sometime that same day, Officer Green called my employer and told him of the incident that morning. He also told him the details of my past history which is far from stellar. I have fought with \_\_\_\_\_ for the past several years which resulted in numerous arrests. I had already informed my employer of my past when I was hired 6 months ago. At that time he was very understanding and I worked very hard, not missing any work, etc. The next day when I arrived at work, I was fired. Which came as quite a shock. It is very hard for a felon to find work and I was extremely frustrated by this.

I am protesting the ticket because I feel that Officer Green was out of line phoning my employer. I was in my personal vehicle, off the clock, Now I am out of a job and unable to pay this ticket.

I hope you will take my situation in consideration. The whole incident seems grossly unfair.

Thank you,

Eric Zonneveld

## Narrative - Please Describe the Incident Involving Your Complaint

I was riding with a friend when we was pulled over by an officer. We stop to see why he was pulling us over. The 1<sup>st</sup> officer yelled from the window and ask the driver to put his hands out the window. And he did just that til back up arrives. When his back up came they ask for us to put our hand out the window we did as well with no problem. Officer McKinney badge # 205 came straight to me and knock my phone out my hand and strats bending my wrist back "note" my hand is still out the window and never ~~resided~~ resided. I did everything the officer ask. He used opposite ~~force~~ forces and also broke my phone slaming it and kicking it on the ground. My wrist is in alot of pain ~~from~~ from the way he bend it. I was in fear of my life I will believe he was going to shoot me.

In your own words, describe in detail exactly what you saw. Include date, time and location of the incident. Put facts in the order in which they occurred. Include suspect description along with vehicle information.

On 8/25/2015 around noon. I was leaving Lakeshore Estates on Village Green Drive + Lakeshore Dr. - intersection  
A police SUV #21 was parked perpendicular to the curb  
I had to go around him in the wrong lane of traffic. As I was pulling in front of him - he turned on his lights + started honking at me. There was no place for me to go except out in the traffic.

I threw my hands up, as I didn't know what he wanted me to do. I was finally able to pull out + he went to the right onto Lakeshore Dr. I feel this was very unsafe.

### Narrative - Please Describe the Incident Involving Your Complaint

It was early Sunday morning and I was woken up to the officers flashlights in my face and their voices. I was intoxicated and still half asleep when I heard the officer order me to get down from the trampoline. As I was getting off my foot got caught on the metal railing and I stumbled trying to regain my balance. As my momentum shifted I tried to gain balance by grabbing the officer's shoulder. The next thing I recall was another officer taking me and one with his pistol drawn. I then heard my wife pleading for the officers to stop taking me and to let me get up as they were requesting. I honestly was in fear for my wife. I truly believe that if my wife was not present with me, then those officers would have killed me. I am still unsure what prompted the officers to take me and take me down. For one, no one allowed them to come to my back yard, and secondly, I never heard any of those officers tell me to get down, or put my hands up before getting taken. I think the actions taken by those officers that night were corrupt and I will not allow my rights and freedom to be stripped from me.

## Narrative - Please Describe the Incident Involving Your Complaint

Around 4:00 am police were called out to my neighborhood due to hearing gun shots, they went straight into my back yard and found my husband asleep on our trampoline and found casing of a shotgun on the other end, officers asked if I had any idea ~~was~~ what was going on and I told them I was asleep and was waken to the shots myself, but that we had family and friends over that had left maybe 30 minutes before and they must have shot the gun off being crazy not thinking it would be that loud, they asked to search closets for gun and I allowed them to because there is nothing to hide. As the cops were ~~leaving~~ leaving the sergeant insisted to wake my husband to see if he would talk with him, I asked the officer since he was already asleep and intoxicated and I was sure he would not recall what just happened if anything was to come up can I please call them and the officer said he just wanted to talk with him, As they woke him they asked him to get off the trampoline, I knew he couldn't get off this is a 250 pound man and

already intoxicated, As my husband Benjamin Chavez tried to get off the trampoline he stumbled towards the Sgt and the Sgt quickly threw his shoulder and arm back and said "do not touch me" and my husband said "what"? not knowing who they were and looking lost the officer Riddle tazed him and not giving him any type of Get down, Put your hands up, he went straight for the tazer and tazed him.

After tazing him the officers wanted him to stand up not a minute later and threatened to taze him again if he didn't. I was in complete shock due to the fact they each went for their guns/tazers if he didn't get up without any help or anything. Finally after with me pleading for them to help him get up they did so. They put him in the car & I asked the Sgt. what will be the charges be and his response was "I'm still deciding." I asked officer Riddle and he stated only "deadly misconduct" because he shootgun was fired, but that it was a misdemeanor, so as the Sgt. was leaving I asked the Sgt what else was he being charge for and he stated he was going to charge him

With 2 things asult on officer and resisting arrest,  
I told him what the other officer informed me of  
and he said no what he decided is what he was  
going to charge him with.

I was in disbelief and upset for the simple fact  
that I watched them ask my husband to get  
~~off~~ ~~officer~~ the trampoline and knew he was intoxicated  
and a big guy there would be some trouble of  
him getting off, but for him to lean towards  
the officer for balance would not cause him to  
be tazed. Sgt. explained they deal with different  
things everyday and have to expect different things  
from people intoxicated which I completely understand  
but I feel this was totally wrong for them to  
go straight for the tazer because they been in  
many of these situations before as they stated.

My husband was only charged for resisting arrest  
not asult on officer because I honestly feel the  
Sgt knew my husband did not asult him but  
since he was already tazed they needed a reason.  
I did advised officers I would be putting in a  
complaint.

## Narrative - Please Describe the Incident Involving Your Complaint

I was taking my friends songs to the store. The officer involved was making a left turn onto 19. I was already on 19th and I was making a left turn into the parking lot. The officer already on a call to another location. Stopped his vehicle almost directly in front of me. At a angle headlight to headlight. I moved more to the right the officer rolled his window down and asked me what was I doing. I responded I'm making a left turn to go to the store. The officer then tells me 30. I thought that was the end of the conversation and proceeded to advance forward some. The officer which was on a call already backed his vehicle up more beside my car and tells me that my music is up to loud. I in response asked the officer isn't the city ordinance like 85 decibels he gets mad, and tells me that I'm a smart ass "You want to be a smart ass I'm going to write your ass a ticket. Then I tell him your writing me a ticket b/c I know some form of the law. Then I ask to speak with his supervisor he arrives and the officer in question didn't tell his supervisor the exact events that happened. he changed his story just to make him look right.

Narrative: Please Describe the Incident

I believe I was stopped because I am black and drive a SUV with rims. I believe the officer showed discrimination. He stated that I failed to signal a left turn off of Calumet Drive onto JJ Flewellan. I did use a signal and he was not in a position to see if I did or did not. Furthermore, he passed me going the opposite way without his lights on me. He looked into the car as he passed then turned around in the middle of the road and turned his lights on. I explained to him that I was a teacher and coach and that I sometimes pick up kids that don't have a ride to the meets. I didn't have a copy of my insurance but I gave him my drivers license. He returned and asked me to step out, then said very rudely that you do not have insurance on this car and it can tow it right now. He had an attitude, yelled and disrespected me. He said he didn't want the students to hear but they heard every word. I told him to just give me the ticket or tow it. He yelled I will give you a ticket! He returned with a ticket for failure to signal only after all the threats about the

## Narrative - Please Describe the Incident Involving Your Complaint

ONE HEAVY METAL DOOR TO HIS U-HAUL HIT MY CAR ON THE DRIVER'S SIDE. I WENT TO APT #10 TO FIND OUT WHO OWNED THE BLACK TRUCK THAT THE U-HAUL TRAILER WAS ATTACHED.

HE CAME DOWN WITH ME. BUT ONE OTHER MAN ALSO AND TWO YOUNG WOMEN (ONE LIVES THERE AND WAS WEARING A BASEBALL AND THE OTHER HAD A BRIGHT PINK BLOUSE AND HAD THREE SMALL CHILDREN, ONE SHE HAD IN HER ARMS) CAME OUT TO THE BALCONY OVERLOOKING THE SITE OF THE INCIDENT.

HE REFUSED TO IDENTIFY HIMSELF, HE REFUSED TO SHOW ME HIS ID-TX WHEN I ASKED FOR IT ("YOU'RE NOT GOING TO GET IT.") HE FINALLY GAVE ME HIS INSURANCE PAPER, IT WAS HARD TO READ FOR IT HAD A LOT OF INFO. ON A SMALL PIECE OF PAPER I ASKED HIM IF HIS NAME WAS MATT DILL AND HE SAID "YES" BUT THEN I ALSO SAW "TRACEY MARVA" AND HE GOT UPSET WHEN I ASKED IF THAT WAS HIS REAL NAME; HE SAID IT WAS HIS FIANCE'S.

HE THEN ANGRILY SNATCHED IT FROM ME! I THEN HAD TO CALL HPD FOR HELP. WHEN I CALLED I REPORTED THAT THERE WAS ALSO A DISTURBANCE - HIS DISPLAY OF ANGER/VIOLENCE BUT ALSO THE TWO YOUNG WOMEN WERE UPSET WITH ME (I DID/SAY NOTHING TO THEM), ONE (BASEBALL CAPPED) HAD CALLED 911 AND <sup>STATED AGAIN AND AGAIN THAT</sup> WAS IT WAS NOTHING AND WHEN <sup>SHE</sup> GOT OFF THE PHONE STARTED SHOUTING THAT I WAS CRAZY; THE OTHER WOMAN SAID IN A THREAT, "DO YOU WANT TO SEE SOME DAMAGE!"

ONE OF THE POLICE WHO ARRIVED WAS COMPLETELY BIASED AGAINST ME ONCE HE TALKED AND CONTINUED TO TALK TO HIM, SO I BECAME THE COMMON ENEMY! OFFICER SIMONETTE IS SO UNSTABLE THAT HE, AND HIS FAMILY/FRIENDS PRESENT, REMAIN A CLEAR DANGER TO ME!

Narrative - Please Describe the Incident Involving Your Complaint

I Eric Furlow am making a complaint on the treatment I received on the day May 23, 2016 by Officers George Neville, Officer Bruce + Sgt. Mosley. On that day myself + DeAndrew Lewis were leaving my home on N. 57th St to drop off DeAndrews kids off at home and go to the gym when Officer's Bruce + Neville pulled us over the both approached the car at the same time Bruce on the driver side and Neville on my side. Officer Neville began to demand I.D. from me and I asked him had I done something wrong or have I broken the law in some manner and he said no that I needed to give him my I.D. for simply just being in the car. I told Officer Neville that I didn't think that things worked that way and Officer Bruce started ~~saying~~ threatening me with arrest if I didn't produce I.D. I told officer Neville that I had no I.D. on me and that's when he lost it. He opened up my door both he and officer Bruce pulled out their service weapons and officer Neville drug me out the car slammed me up against the car put his weapon in my back and cuffed me up. I again tried to tell officer Neville that I didn't have my I.D. on me but he wouldn't listen to me and as he was taking me to the police car he began to press his fingers against my adam apple very very hard. I ask for a supervisor and Officer Mosley came on the scene I tried to explain to him what was going on and he was very one sided he seemed almost upset that I even requested him to the scene

For the PAST month officer Been posted over across the street in Clicks PARKING lot about 3 or 4 setting There about 2hr or so. My customers pull up they feel scared That the officer going to harass them they post it on social media. I Dont go to Empire the Police is posted Across the street waiting to mess with the customers. So last wk I go across the street and ask can they not do that. And the officer said he can set where he wants. And he called his Sgt. Patterson out. So Patterson tells me if they meaning the customers was legit they have no reason to be scared. And I said That's not my business, As long as they dont break no laws on my establishment. So I called for a commander today. And the Sgt Alevo And Patterson. And officer Smith, I walked Across the street and Smith talked real ugly to me And he told me he saw shopping wandering off Clicks lot for walking over talking to the police. So he sent officer Allison to knock on Clicks door, told the lady about. She warn me off the property for talking to the police. The power there. Can call my customers off in the lot. I called talked to the city manager about this I cant make it in business like

ON or about 0725 NOV 10 I was on the phone that works thru the radio in the car. Talking to my fiancé who was driving to Waco. She said there is a Waco cop on the I35 and no one will pass him. She said we are a long way from Waco. Then a few min later she said he moved over should I pass. I said yes it should be ok if his lights are not on. Then she said he is pulling me over. I said ok move to the side of the road. Then she screamed and said he just hit his brake in front of me. I told her to pass the 911 better in the car. Next she pulled over and some one was yelling and cursing. I said who is that and she said the cop who pulled me over. No one should talk to anyone like that and they are not going to talk to my m.f. like that and I headed to her location but everyone was gone by then time I reached temple. The officer who pulled her over was very rude and did not identify himself in any manner. No did he have any respect for my fiancé. This matter needs to be taken care of.

Police walked into my home to ask questions about what was going on in the home. I proceeded to go into another room so that we could speak privately. I told the officer to get away from me, because he had been to my house before. The police grabbed me as I began to sit down on the sofa. He grabbed my upper arm where he left scratches on the inner part of my arm. He took me to the patrol car, and proceeded to put the handcuffs on to tight.

Narrative - Please Describe the Incident Involving Your Complaint

On Friday, September 8, 2017 I was stopped by a Waco PD officer Badge # 258. The officer was wearing sunglasses, had blonde hair & I am not certain of his height. Upon reaching my car the officer demanded ~~the~~ ID from my son who was the passenger in the front seat of my vehicle. I stated that my passenger was my child & was 15 yrs old. The officer stated that he looked older. He then asked for my ID & we were not told why <sup>we</sup> were stopped. We noticed the officer as he pulled into the parking lot at the corner of 18th & Columbus. My

son who likes cars leaned forward

to see the police car. As he looked he

noticed the officer looking @ him and he quickly turned away. My son became nervous b/c of the way the officer was looking at him. We were stopped @ the red light and when my son turned away, the officer turned on his lights & got behind us. We immediately pulled over in front of an old store front as we passed through the light. We believe the officer pulled us over because my son nervously looked away & he was racially profiled. Seeing that he stopped a mother & child, he made up the story about no seat belt to cover the stop. →

The officer was rude & unprofessional upon seeing his error in stopping<sup>us</sup> & clearly seeing that my son was in fact wearing a seat belt.

He used his power & authority to harass both my son & myself. My son feels that he should not have looked @ the officer. My 15 year old son feels that the stop was racially motivated. I have always taught my children to respect authority. I am saddened that a 15 year old cannot admire a police car w/out the threat of being pulled over.

We should have received an apology for the error instead of a ticket. The officer had full discretion to let us go once he saw that my son was buckled up.

IF that was the real reason for the stop

Again, I feel that his stop was racial profiling. He admitted that he thought my son was older & when he looked away nervously, the officer assumed the worse about him due to his skin color & supposed age.

An officer should be professional & honest. If he was mistaken, he should have apologized & let us go. Instead he was unprofessional & used his authority to ~~intimidate~~ intimidate a mother & chided on their way to school.

Narrative- Please Describe the Incident Involving Your Complaint

On the early morning<sup>hours</sup> of Sept 28, 2017  
I was at a smoke shop on 18th & W. Waco Dr.  
Two Police Officers came in and asked me if I  
was at another store prior to being at that  
one. I told them I was, and Officer Emrick  
asked why I left. They were there to inspect  
the playing machines and I was just finishing my  
shift. I didn't think I had to be there because the  
other worker was already there to take over shift.  
I was done with my shift so I left. The officers  
asked me for my identification and told me I had  
traffic warrants. At that point, they escorted me  
outside to ask me questions about the place I work.  
~~Then~~ I was then put under arrest and handcuffed  
and taken to the side of the building where they were parked.  
I was told to stand in front of the police vehicle. Officer  
Emrick asked if I had any drugs on me or anything  
that could harm them. I told him no I did it then he  
said he was gonna search me. He patted my pockets front  
& back, then he felt under and around my breast & checking

I told him I had no drugs. They then put me inside the police car.

## Narrative- Please Describe the Incident Involving Your Complaint

I asked if they could loosen the cuffs a little because they were very tight. They told me no they couldn't. Once we arrived to the county jail officer Emmick questioned me further and somehow came to the conclusion that all my answers were lies. He said they were going to keep my purse because I had a large amount of money and I couldn't tell him the exact amount of money I had. He asked me where I got that money from and why I had so much. I told him I recently got paid at work and didn't get a chance to deposit it to my debit card. He continued to harass me about what was in my purse and continued to say I was lying about everything. I felt violated and felt he was profiling me and judging me for no reason. I gave him no reason for him to think I was lying to him. I answered all his questions voluntarily without resisting and hesitation. I don't think it was right the way he searched me. It was so uncomfortable the way he touched me. I just didn't feel right then and still don't now. I feel he was making fun of me and felt stupid because I know I was telling the truth and called a big fat liar. He wasn't very professional at all. It made me feel ashamed & embarrassed.

To whom it may concern:

**The Incident:**

On Friday, November 03, 2017, on or about 1500 to 1530 my daughter, Tansy Dawn Ackermann age 17, called the non-emergency phone number to report that there was a man trying to enter our house. She stated to the woman who answered the phone, that the man had pulled into our driveway in a blue truck and that there were two women in the truck with the man, who had walked around our property looked into the windows and tried to gain entry by first jiggling the locks on the back door and then the front door of our property. She stated to the woman that the man had left the property and returned several times and that she would like officer to come out and have the man leave and that she was scared. During this time, my daughter's boyfriend Julian Nicholson, age 17 was also in the house and observed the entire events and was so scared he grabbed a baseball bat to protect himself and my daughter for fear that these people would enter the home. The suspects first tried to gain entry to my home by the back door jiggling the lock then the front door and then finally rang the doorbell.

**The Investigation:**

Two officers arrived on scene and the suspects were still parked in the driveway and on the property. My daughter and Mr. Nicholson both state that one officer went immediately over to the truck and questioned the suspects as to what they were doing there. According to the statements given to me by both the officers investigating and my daughter and Mr. Nicholson, the story of why the people were at our house was that they were there to pick up a stove from a friend named Maria, but that they were

not given an address and just showed up to our house by randomness. At which point the officers asked the gentleman and only the gentleman to leave. According to all involved on the day not one officer questioned the two females in the truck about anything. My daughter then states that another officer then came to the door and she answered. This is where the stories from the officer differ from those of my daughter and Mr. Nicholson. According to my daughter when she opened the door she saw an officer and the suspicious person standing directly in front of her. According to Officer Davis, one officer questioned my daughter at the doorway and the other at the end of my sidewalk directly in front of my door. Officer Davis, states that there is no victim intimidation when confronted by a suspect, however;

Under Marsy's Law and I quote:

Throughout the whole criminal process, victims have the right to be treated with fairness and respect for his or her privacy and dignity, and to be free from intimidation, harassment, and abuse, and to be reasonably protected from the defendant and persons acting on behalf of the defendant.. (Law, 2017)

This at least suggests that intimidation is a very real threat and as long as the suspect was within what she perceived as eye shot or ear shot she did not feel comfortable divulging all the information or events that had transpired as she felt both intimidated and freighted as it is reasonable that anyone of any age would who believed someone was trying to break into their home.

The Youth Justice and Criminal Evidence Act of 1999 Section 16 allows that special measures for witnesses who are under 18 (College of Policing, 2017)

This again would defiantly apply to my 17 year old daughter. Also I feel it pertinent to state that yesterday when offering my complaint to Sergeant Allovio Badge Number 65 and Officer Davis, Badge Number refused to be provided and Officer M who did not give me his name or badge number, I was told that my daughter was an adult....however let me shed some important light on this law.

Civil Practice and Remedies Code: Title 6. Miscellaneous Provisions Chapter 129. Age of Majority Sec.129.001. : The age of majority in this state is 18 years. Acts 1985, 69<sup>th</sup> Leg., ch. 959 Sec. 1 effec. Sept. 1, 1985

This became an issue when I asked why I was never contacted by the investigating officers as the mother of the victim or the homeowner of the property that could have been burglarized. If this is not standard procedure, perhaps it should be.

According to the officers and my daughter and Mr. Nichols the police told her to contact her father, she ended the conversation and shut the door. The story again differs between the officers on scene and my witnesses to the event. My daughter and Mr. Nichols, state that the officers got into their car and left the scene first, leaving the suspect still in my driveway. According to the officers on scene all involved outside my home got into their vehicles at the same time and left my property.

## My Complaints

1. I do not know why as the homeowner and parent of a 17 year old I was not contacted about the events and why that was left up to my daughter. The arriving officers, are both adults and officers for the City of Waco, I'd ask that any homeowner or parents would like to be contacted by the police should they arrive at their home for any reason let alone a call of a suspicious person or a burglary in progress. Again if this is not standard procedure, perhaps it should be, because a lack of prudence and professionalism won't go far with the citizens of this city. I would have if contacted pressed charges for trespassing, considering that the suspect admitted to being on the property without permission as he did not know the address he was going to, and the fact that he was on the property as long as he was, but considering that he did not have a key, permission to be on the property and tried to enter the home unlawfully, that is attempted burglary and I would have again as the homeowner pressed charges.
2. I do not believe it wise, to question any potential victim within eye shot or ear shot of the potential suspect. Whether or not the officers perceived my daughter to be in fear or not, common sense and the law would side with me that witness intimidation is a very real thing to be considered and her feelings and needs were not at all considered.
3. The officers and my daughters, and Mr. Nichols may have differing statements about who left the outside of my property first, but there is one thing very clear about all the statements:

- a. Those officers could not have seen the suspect leave the scene if either they left first as my daughter states or they all left at the same time.

I do not know if this is standard procedure again, but I would have preferred the officers watch the suspect leave my home since that is why the call was made in the first place.

4. The officers did not provide my daughter a card or any information or assistance with who to call if the people came back to my property. I was told this is general police practice, but again perhaps it should be.
5. Professionalism! Officer Davis was completely unprofessional, rude and provocative when he arrived at my property. The other officers who arrived to explain the incident on Saturday, November 04, 2017, are witness to these statements.
  - a. Officer Davis told me to tell my daughter to tell her father not to waste a trip home to check on our house or my daughter that everything was fine. At the very least my husband should have checked on the wellbeing of our daughter to ensure after a scare bad enough to call the police that she was ok.
  - b. Officer Davis told me that if my child was so fragile maybe I should reconsider leaving her home alone by herself. This is provocative language to entice me to anger and would any parent. Regardless of what he thought of my parenting or the age of my daughter, he should have treated me as the upset homeowner and parent that I am,

and my daughter with the respect due anyone who believed someone was trying to enter their home without permission. I felt disrespected and like he was trying to engage me into a verbal argument that could have landed me in jail as he was threatened by knowledge of the law, or the fact that I told him he did his job poorly.

- c. When asked why he didn't question the suspect and my daughter separately he stated that my daughter had done nothing wrong and that was not standard procedure. This I agree with she did nothing wrong. Officer Davis did something wrong he allowed her to give a statement about the events and informed her of the suspects statements while the suspect was within arms distance of my daughter.
- d. The age of a victim should never change the respect and response of kindness and respect given to the call and the victim. Officer's Davis' response told me he thought she overreacted, was immature, but calm and that because he perceived there to be no real threat did not handle the investigation with full prudence or normal procedures.
- e. At one point I was told by an officer that they had contacted my husband, a lie I do not know why anyone would tell as I can confirm with my husband and our phone records that no such phone call was ever made.
- f. The officers stories, and the stories given to me over the phone changed several times which leads me to believe less than the truth was given to me in an effort to make the situation seem less important that it was and to protect themselves from a job poorly done.

#### **Remedied Actions**

1. I would like a written apology from Officer Davis as to his attitude, and I would like to see him attend some anger management classes or attitude training. Again the other two officers who witnessed the way he spoke to me, should be able to relay the things that were said. This kind of language and lack of sensitivity should not be tolerated by an officer who will have to address many other more sensitive victims and volatile situations. His actions lead me to believe he could be a hinderance to any call that becomes escalated at this time.
2. I would like both officers to attend training on burglaries in progress, as I do not believe the officers nor the department responded to the situation with the professionalism or training needed for this incident. I believe retraining to witness, interviews and standard procedures might need to be reevaluated so that the next person who calls receives better respect and attention to their call.
3. I would like a copy of any video evidence of the investigation, all reports, and the names and badge numbers of all the officers who arrived on scene. I have made the formal records request but no one has made me aware of if there is video evidence of the events.
4. I would like an apology either over the phone or in writing for the way my daughter was treated and the way I was spoken to by officer Davis. He was completely rude and unprofessional
5. I would like a phone call as to the results of my complaints

I would be happy to meet with someone from the complaint department at an appointed time or discuss the issues at an appointed time. Please feel free to email me at the above information or call me.

Narrative - Please Describe the Incident Involving Your Complaint

I was sleeping when my child's father, Curtis Johnson came and woke me up and informed me that the police were taking the car and were outside. I proceeded to go to my back door where I stepped out and 4 officers began to talk to me and ask me questions about a serious offense that had taken place. They asked me to come in to search if anyone else was in my house. I explained I wasn't comfortable with that. The officer told me they would get a search warrant. I told them I would like a search warrant and tried to go into the house to bring out my child's father. The officer step in front of my back door causing it not to close and told the other officers to grab me. They detained me and put me into the car while already in my house. Officer Schroeder stood and watched while the officers Immick, Thompson, and Hogg continued to search my house bringing my daughter out then Curtis arrested. I was still unaware of what was going on until then and put me out of the car and proceeded taking items of mine out the house.

Narrative - Please Describe the Incident Involving Your Complaint

Informing me once, I had my daughter sitting at my table in the kitchen. They told me Gurtis was going to jail for a 2 degree felony. Said I was free to go and made their way out of my home.

When officer Schroeder was escorting me to the car once, officer Immick informed him to put me in the car. He was apologizing to me and said it was his first day and that I would be okay.

I would like to file a formal complaint against officers for illegally detaining me and illegally searching my home over my objection. I want a formal investigation completed.

On Jan 3rd 2018, approximately 2040 I called 911, in regards to being assaulted. I was at Texas Dynasty cheer and gymnastics in Waco, TX watching my daughter practice. My ex husband and his wife were also there, as they were to take Cheyenne (my daughter) back to their home in Cleburne for the remainder of the Christmas break. Cheyenne verbalized she did not want to go back, but instead, wanted to go with me. While my ex (Blu Bryant) and I were working on getting her to go with him and communicating in a calm manner with each other and Cheyenne, Carissa Bryant (my ex's wife) came out of her car in a threatening and aggressive manner, yelling at me and Cheyenne, I then grabbed my phone to video her behavior. My ex husband and I couldn't even converse nor talk to Cheyenne. This behavior changed the tone of the entire situation and made it almost impossible for us to work things out. I calmly asked her to get back in her car, because we are trying to work this out. When I asked her to return to her vehicle, several times, Carissa became more angry and then assaulted (slapped) me on my right arm, right breast, knocking my phone (damaging my phone) out of my hand as seen on the video. I picked up my phone and dialed 911 to report the incident to the police and get help. It took approximately 10 min for WPD to arrive, my friends arrived for moral support. My friend Kristy Kyle (254-855-7656) arrived before WPD showed & sat in the car with my distraught 13 year old daughter. Cheyenne is now crying because she just saw her step mom assault her mother. Officer Avila arrived and spoke to my ex and his wife first (Blu and Carissa Bryant) even though I initiated the call for police. After he spoke to them he came to me and started yelling at me about custody and visitation. I explained to him that I called the police and the call was about being assaulted not visitation. I went on to explain that me and my ex were working on that before his wife came out of the car in a threatening and aggressive manner and assaulted me. He then went back to visitation ignoring why he was called. I kept refocusing him to the assault, and he basically didn't want to hear about the assault. I told him I had a video and he said he already spoke to Blu and

Carissa and claimed she felt threatened. My friend Kevin, said, "So you aren't going to look at the video???" and asked him how he can make a true judgement without watching the video. So he reluctantly watched the video. After watching, officer Avila then focused back on visitation. I stopped him and said, "So, I would like to press charges for being assaulted." Officer Avila threatened me, "if you do, I will write you a ticket." I asked, "For what?!" He said, "Because she said that she felt threatened." I replied, "So did I and I was assaulted and I didn't assault her or hit her back." Officer Avila told me to get my daughter out of the car. I said, "I tried and you can try if you want." This is when Officer Avila opened the door of my car and yelled at Cheyenne, aged 13, "GET OUT OF THIS CAR, GET IN YOUR DADS CAR OR YOUR MOM IS GOING TO JAIL!" She replied, "I don't care, I'm not going" He kept on coaxing her and demanding she get out of the vehicle without success. She is traumatized by this police officer's actions. Kristy was appalled by the way officer Avila handled this child. Kristy is also willing to make a statement attesting to this officers words and conduct. I am very concerned that I was bullied by officer Avila to prevent me from being the victim of an assault, but I am more concerned about the emotional trauma Officer Avila caused my daughter. I have always taught my daughter that the police are here to help and protect. This incident has completely changed how she and I view police officers. Officer Avila did not help us at all.

On 6-21-18 I was accosted by 2 street crime unit officers. They had no probable cause to question me so they let me go. Later the same night they came to the Oak Lodge and arrested me for trespassing without giving me a warning. After being taken to Jail I was released from HWY 6 without being booked or warned for trespassing. I was not given a reason for the arrest. What troubles me is how they were able to pick me up to take me into lockup. Just to I.D me. I was later let go and not issued a T.P. warning. The following

When Off. Thompson arrived on the scene @ HEB I was extremely upset after being assaulted by a teenage boy physically and called several "nigger bitches" Understandably I was extremely upset. I was yelling. Several times I told Off. Thompson that I was not upset at him but the situation. The officer partially "listened" to my complaint for a few minutes. He appeared very biased. I asked several times for him to review the cameras at HEB, he stated each time that there were no cameras to review. He told me to go

the cameras that he had told me earlier did not exist at HEB. The teenage boy assaulted me when he pushed me. I told off Evans that I did not want to press charges b/c his mother had gotten him involved in none of this. He laughed and stated that wasn't an arrest that "push was just a ticket". I was upset the entire time. I was humiliated by the woman and her son in front of my children and then by the police that are sworn to protect and serve the entire community. Thompson and Evans were biased, did not attempt to truly de-escalate the situation. This incident began by me telling my 2 y/o daughter to "shut your ass up!" "And if you throw up you not getting changed until we get home!" (We live about a mile from HEB.) I was threatened with arrest even though I did not incite or assault anyone. I was given a ticket/citation for assault by physical contact - when I did not touch anyone.

The situation was not handled well by anyone. We are all human. I want to make a formal complaint against Off Thompson and Evans. Another officer ~~Brewer~~ #257 was the only person out there that treated my children and I with respect that day. Thank God that he came out. I am a nurse I can not have an assault on my record and maintain my nursing license. I stated several times that I would never jeopardize my ~~live~~ livelihood and my kids future by assaulting anyone. I was not helped or protected by Off. Thompson and Off. Evans.

I was pulled over by both officers while driving down Valley Mills Dr., the reason they said they pulled me over was for my registration. The officer that initiated the stop was a white male, I am a hispanic male. I believe the reason I was pulled over was due to racial profiling. After I was pulled over Officer Ohms (Badge number unknown) was unprofessional and verbally aggressive to me in front of my children. Citation was also issued for having two children under the age of 5 unrestrained. My children are ages 5 and 9. Furthermore they had a seat belt on. I understand that the Five year old should have been in a booster but I was in my secondary vehicle because my daily was in the shop and this is the only vehicle I have at the moment. Penal code states differently in regards to seatbelts when it comes to a vehicle that doesn't have enough seat belts, refer to the Texas Penal Code for specifics. During the traffic stop I asked the officer for his name due to his demeanor and he stated why did I need to know his name for. He was also telling the other Officer what ticket to write and how to make it legit in order to tow my vehicle. He then stated he was going to search my vehicle, I asked why

### COMPLAINT OF MISCONDUCT

- A. Jayson R. Hilliard was shot 08/06/2018. On this day Officer King Badge # 166 arrived at the hospital not concern about my condition but, to question me about something that didn't have anything to do with my issue. On 08/06/2018, after the victim was taken by ambulance, the officers searched my vehicle for an unknown reason. The officers also searched an apartment #1207 of The Landings, which was occupied by Ms. Lydia Metz at the time. My Families, Ms. Lydia and I were puzzled, because police was called by Ms. Lydia; when police arrived, "Why such illegal search or searches took place at this time of her apartment by the police department?" This search or searches CAUSED Ms. Lydia Metz and her children to be EVICTED with NO WHERE to go...HOMELESS. Ms. Metz's Apartment Manager stated on her paperwork, "Criminal Activities" after this illegal search or searches done by the Police. The System failed here again!

B. Jayson R. Hilliard was taken to Hospital 08/06/2018 from a gunshot wound by Terrance Dancer who was said to be a license fire arm carrier. There are policy and procedure which should be carried out by the local officials in such events. The Hilliard's families have many question pertaining to the action carried out by the Waco Police or other Officers of the Law and Detective Charles Cornor, who was assign to case at one time. Mr. Cornor stated he spoke with Terrance Dancer, but didn't arrest him nor retrieve his fire arm until the investigation was over, leaving the Hilliard's families in harm way. On 06/10/2018 Jayson Hilliard was released from the hospital, but he's still under Doctor's care.

C. Detective Charles Cornor's first contact with Jayson Hilliard was on 08/23/2018.

D. As a citizen I feel "my Rights" have been violated. *Searches (an*

The violations, I've believe have taken place by the local police department are stated below:

Coercing witness, false confession, Intimidation, Spoliation of Evidence, Police Corruption, Unwarranted Searches, Fabrication has been engaged in by the Local Officials named above. There are many questions that the Hilliard's families would like to address pertaining to the summary that was filed for this particular case. We're lead to believe Officer King have made a variety of false and misleading statements not facts; in his report pertaining to the physical altercation and the unknown weapon he's been asking about.

After Officer King arrived at the hospital on 08/06/2018 around about 11:45 pm, **was very aggressive and unprofessional.** Officer King begin to talk to me, he stated, "I know what happen over there, but I just want to know 3 things." First question was, "Where did you get a AR- 17 bullet that was in your pocket?" I answered. Second question was, "Who had the weapon at that time?" I also answered that question. The third question and final question, King wanted to know, "If I was going to press charges?" That question was also answered. This was Kings only communication with me about the case.

On or about 08/23/2018, my Dad and I meet with Detective Charles Cornor at his office located at 3115 Pine St. Waco, Tx. 76708. After, we showed up at his office, a little after 3:00pm at the date shown above. Mr. Cornor continue to support the summary received from Officer King, which was his own creative minded set not facts. Officer King's narrative Summary has hindered this investigation. Jayson Hilliard, the victim to this day still hasn't received justice. So the Hilliard's families question the system motive. We believed that the System was to serve and protect law abiding citizens. It's clear that the Police System failed to protect and serve, simple, because the victim, Jayson Hilliard was not able to provide information about a person who was suppose to have a weapon that I wasn't affiliated with nor had procession of. This alleged issue has nothing to do with me as the victim, Jayson Hilliard.

On or about 08/23/2018 Charles Cornor states he spoke with Terrance Dancer, who arrived at Apartment complex where Jayson's girlfriend, Lydia Metz lives. Terrance Dancer had backed up to the curve, in front of Apartment Complex, left vehicle running and his driver's door open when he went up to the

Apartment. They were to discuss that the past relationship with Lydia must come to an end, because they were in a steady relationship now; but the conversation got heated. Terrance Dancer put his hand in the face of the Victim (Jayson Hilliard) and told Jayson, "Fuck you!" Jayson Hilliard notice that Terrance Dancer had a knife on his side, but wasn't aware of Terrance Dancer's GUN, that he had HIDDEN INSIDE HIS PANT POCKET. Mr. T. Dancer and Jayson Hilliard continued to have words and then it turned into a physical altercation. During the course of the physical altercation, Terrance Dancer's gun fell out of his pants pocket and he reached and grabbed the gun. They began to wrestle while Mr. T. Dancer held on to gun with his finger on the trigger, causing it to fire multiple times. Mr. Jayson Hilliard was fighting for his life as Mr. T. Dancer pulled and tried to aim upward toward Mr. J. Hilliard's head or face. Mr. Terrance Dancer ended up shooting Mr. Jayson Hilliard in his right upper hip, causing Mr. J. Hilliard to be sent to the hospital. Mr. Jayson Hilliard told Mr. Terrance Dancer, "YOU SHOT ME!" Afterwards, Mr. Terrance Dancer got up and looked around, waved his gun at Ms. Lydia's son, and he fled the scene WITHOUT HIS VEHICLE. Mr. T. Dancer fled down the sidewalk to another apartment which was apartment number 304 in the Apartment Complex.

Information was given to Detective Charles Cornor about the suspect as a lead form the tenant Vertis in Apartment #304 to gather more information to help Mr. Jayson Hilliard's case. Detective Charles Cornor neglected to not use this information for some reason. TILL THIS DAY!!! THE SHOOTER IS STILL AT LARGE AND ARMED DANGEROUS TO MR. JAYSON HILLIARD AND FAMILIES!!! THE SYSTEM FAILS TO RENDER JUSTICE IN THIS CASE FOR MR. JAYSON HILLIARD! We pray that God steps in, shows favor and justice for Mr. Jayson Hilliard and Families.

**JAYSON R. HILLIARD**

### Narrative – Please Describe the Incident Involving Your Complaint

ON 8-30-18 I CALLED 911 BECAUSE MY HUSBAND IS A \_\_\_\_\_ AND HAD  
EXTREMELY \_\_\_\_\_ HIS BREATHING WASN'T GOOD AND HE WAS  
FOAMING FROM HIS MOUTH AND UNRESPONSIVE. YES IM AWARE I WAS EXTREMELY  
UPSET ON THE 911 CALL, AS IT WAS THE ONE YEAR ANNIVERSARY OF MY MOTHER  
DYING IN THIS HOME, 2 DAYS FROM OUR VOW RENEWAL AND MY HUSBAND ALMOST  
DEAD. I WASNT AWARE THERE WAS A PROPER ETIQUETTE IN CALLING 911 WHEN  
BEING IN FEAR OF LOSING YOUR SPOUSE. 3 FIREMEN ARRIVE, 2 POLICE OFFICERS,  
AND SEVERAL MINUTES LATER 2 AMBULANCE PERSONNEL. WHICH BY THIS POINT I  
WAS OUTSIDE SPEAKING TO YOUR OFFICER ABOUT WHY I WAS SO UPSET. NOT EVEN  
IN MY HOME BECAUSE AMBULANCE HAD ARRIVED AND I ALWAYS GET OUT OF THE  
WAY WHEN THEY ARRIVE. I HEARD MY HUSBAND MOAN LOUDLY SO I CAME IN FROM  
OUTSIDE TO TELL THEM IF SOMEONE TALKS TO HIM HE WONT BE AS COMBATIVE TO  
WHICE THE FEMALE AMBULANCE WORKER YELLED AT ME SHE WAS BUSY AT THE  
MOMENT. I RESPONDED WITH IM AWARE OF THAT BUT THERE ARE 6 OTHER PEOPLE  
IN MY HOUSE DOING NOTHING THAT COULD TALK TO HIM. I WAS AT THE BACK OF THE  
LIVING ROOM WITH YOUR 2 OFFICERS WHEN THE BIGGER OF THE 2 SMARTED  
SOMETHING OFF AND HE WAS ASKED IF HE COULD HELP MY HUSBAND BECAUSE IF  
HE CANT THEN HE CAN GET THE "F" OUT OF MY HOUSE AND DONT DISRESPECT ME IN  
MY OWN HOUSE, THE SMALLER OF THE TWO OFFICERS FOLLOWED ME TO MY

KITCHEN ACROSS A BAR FROM EVERYONE AND KEPT ADVANCING ON ME TO WHICH I RETREATED UNTIL I WAS UP AGAINST A COUNTER AND COULD NOT GO BACK ANYMORE. I AT THAT POINT ASKED HIM TO GET AWAY FROM ME BECAUSE HE WAS A LITTLE TOO CLOSE AND I DIDN'T NEED A BABYSITTER I WASN'T A THREAT TO ANYONE THERE AND HE IMMEDIATELY GRABBED MY ARM BENT IT BEHIND ME BENT MY WRIST BACKWARDS AND WALKED ME OUT OF MY HOME, WHEN WE GOT CLOSE TO THE FRONT DOOR THE OTHER OFFICER ALSO GRABBED ME TO WALK ME OUT. DOWN THE STAIRS AT THE BOTTOM I WAS TOLD I WAS BEING DETAINED AND I WAS CUFFED TAKEN TO THE FURTHEST POLICE CRUISER FROM MY APARTMENT. AT THIS POINT THERE WERE 7 PEOPLE HERE WHO COULDN'T ADMINISTER HELP TO MY HUSBAND AND THEY WERE WAITING ON A 3RD AMBULANCE WORKER TO ARRIVE. SHE WAS WALKING UP AS I WAS BEING TAKEN TO POLICE CAR. DID I USE CUSS WORDS YES, THIS WAS ALMOST 40 MINUTES LATER MY HUSBAND WAS LAYING THERE AND HAD ONLY BEEN GIVEN OXYGEN AT THAT POINT. I WAS NEVER IN ANYONES WAY BECAUSE I WAS IN THE KITCHEN OR AT THE BACK OF THE ROOM WITH YOUR OFFICERS. THE ONLY REASON I CAME IN TO TELL THEM TO TALK TO HIM IS BECAUSE HE CAN GET VERY COMBATIVE WHILE LIKE THIS AND HE HAS NO IDEA HE IS EVEN DOING IT, AS MOST CAN DO. ONCE RELEASED FROM COP CAR I WENT UP TO MY HUSBAND WHO IS NOW AWAKE AND THE ONLY TIME I GOT NEAR HIM

WAS TO HELP THEM GET A \_\_\_\_\_ AND  
TO GIVE HIM A BLANKET BECAUSE HE ASKED FOR ONE. THEN I GOT OUT OF THE WAY  
SO THEY COULD CONTINUE DOING WHAT THEY HAD TO. YOUR OFFICER HAD NO  
PROBLEM LETTING ME GO TO MY BEDROOM INTO MY BATHROOM ALONE TO GET A  
BLANKET ONCE MY HUSBAND WAS AWAKE. HE DRUG ME OUT OF MY HOUSE FOR NO  
REASON WHILE MY HUSBAND WAS UNCONCIOUS AND COULDN'T MAKE MEDICAL  
DECISIONS FOR HIMSELF. THEY DIDN'T KNOW WHAT MEDICATION HE TOOK WHAT HE  
WAS ALLERGIC TO AND NEVER ONCE ASKED ME. I HAD TO ASK THEM IF THEY  
NEEDED THAT INFO ONCE I WAS UNCUFFED AND OUT OF COP CAR. THE OFFICER  
WHO PUT ME IN THE COP CAR TOLD ME WHEN UNCUFFING ME HE WOULD BE THE  
SAMED WAY IF IT WERE HIS MOTHER BECAUSE SHE WAS ALL HE HAD. 2  
FRIENDS/EMPLOYEES ALSO OFFERED TO SPEAK TO ME TO CALM ME DOWN TO  
WHICH HE SAID NO. I AT NO POINT RESISTED HIM OR DESERVED TO BE TAKEN FROM  
MY HUSBAND OR OUR HOME. I SPOKE WITH A SUPERVISOR THAT NIGHT TO WHICH I  
WAS TOLD HOW I SEEN THINGS ARE NOT HOW THEY HAPPENED AND MR. MOSLEY  
TOLD ME I WAS RUDE MEAN AND UNPROFESSIONAL. I HAVE NEVER HAD AN ISSUE  
WITH WACO PD UNTIL NOW, AND TO BE TOLD I AM UNPROFESSIONAL IS A BIT MUCH  
CONSIDERING THE WAY IVE BEEN SPOKEN TO, WHEN ASKED TO SEE A RECORDING  
OF THIS INCIDENT I WAS TOLD THERE ISN'T ONE.

I'm aware nothing will happen because  
all judgement is being based off of a 911  
call where I was alone trying to get help.  
What your officer done was un-called  
for and his supervisor was called  
immediately, by Andrea Theriault.

### Narrative – Please Describe the Incident Involving Your Complaint

I was walking back from class when I noticed that a car was following me. I thought I was just being paranoid so I didn't turn around to look. Then the car pulled up next to me and I realized it was a police car. He rolled down the passenger window. I was scared. He told me that my backpack was making my romper ride up. I said okay. He said that he could see everything and that everything was hanging out. I said okay. He said that I needed to pull down my shorts. He wouldn't leave until I adjusted my outfit. Then he drove away.

## NARRATIVE-PLEASE DESCRIBE THE INCIDENT AND THE SPECIFIC NATURE OF YOUR COMPLAINT

On 10/14/2018, I Victor J EDNEY JR. entered the Richland Mall through a main entrance by the Sears Department Store off of HWY. 84. I was wearing a yellow rain suit. I entered the mall to use the rest room. After, I exited the mall to wait on the White Transit that has a bus stop at the entrance, off of Richland Dr. While waiting for the bus some mall security guards came out side in a hostile manner yelling... saying "hey you in the yellow pants why are you harassing people?" I replied I have not harassed anyone nor have I shared words with anyone while waiting at the bus stop or while walking through the mall. The security guards then stated he was going to give me a trespassing citation and I ~~need~~ to leave. At this point, I ask for the Richland Malls authority or management to resolve this issue and the male security guard stated he was. Then I asked him can I wait for the bus and do you know this is a bus, and he said yes. After that I ask who said I harassed them or could you go get them because I know that is a serious crime. He did not tell me! I could not understand that because he was banning me from the mall... but could not confirm if I was the right person.

At this time I thought this man was Waco P.D. (reason of questioning for instance, who and where) because he was wearing a police shirt. But he was not! So after questioning for self insurance I ask the security guard to call Waco P.D. to solve this matter. He did. Also, I ask- are you going to put me in jail and he said no your not going to jail - just a warning to stay away from the mall. When W.P.D. got their officer Barrett #27 walked up while me and the security guard was talking. He then ask about the incident. The security guard then stated he is trespassing. I replied I did not trespass, then officer Barrett told me I have five seconds to be quiet or I was going on the ground in hand cuffs. I ask why and officer Barrett ~~me~~ friskly to me hand cuff me saying now your going to jail for resisting arrest. I told him I did not resist and he Kick/shammed me to the ground and I landed head first on the ground. Barrett and Brisco detained me and placed me and their vehicle... Barrett then took me to McLennan County Jail and booked me under alleged charges of: Criminal Trespass and Unlawful Carry of Weapon. After being released from McLennan County Jail I was told I could pick up my property (handgun) from Waco Police Department. So, I tried. The receptionist desk gave me the name and number of Detective J. Williams to call for property pick up. I called. He told me you're not getting your property back because it belongs to the case... I've done nothing wrong! Your officers over reacted on false allegations.
